10. Exhibitors should arrange for outgoing shipments during the show or immediately after its close. Brede will assist in the preparation of Brede bills of lading. Be sure that your material has been carefully crated or packed, and properly tagged or marked.
11. In order to expedite removal of materials, Brede Exposition Services shall have authority, without further clearance with exhibitors, to change designated carriers.
12. Labor and services ordered on behalf of exhibitors by display builders or other parties must be so authorized in a letter from exhibitors. Payment for all labor and services will be the responsibility of the exhibitor.
13. Freight handling charges are the responsibility of the exhibitor to whom shipments have been consigned. Also, charges for loading out freight shipments are the responsibility of the exhibitor from whose booth shipments are made. Exhibitors may not assign this responsibility to suppliers or customers.  
  
The exhibitor agrees, in the event of a dispute with Brede Exposition Services relative to any loss or damage to any of their materials or equipment, that they will not withhold payment of any amount due to Brede Exposition Services for Drayage or any other services provided by Brede Exposition Services as an offset against the amount of the alleged loss or damage. Instead, they agree to pay Brede Exposition Services at the close of the show for all such charges, and they further agree that any claim they may have against Brede Exposition Services shall be pursued independently by them as a completely separate transaction to be resolved on its own merits.
14. Service charge of 1-1/2% per month on any unpaid balance will be made starting 30 days after date of invoice.
15. Where an exhibitor indicates choice of carrier for pickup it is the exhibitor's responsibility to arrange with such carrier for said pickup service. If the carrier does not pick up within the time limited for the removal of exhibitor's materials at the Exhibit Hall, we reserve the right to forward such material by the shipping method of our choice or to remove said material to our warehouse for disposition, at an additional charge to the exhibitor in accordance with prevailing rates for the service performed.
16. Material left behind without orders placed at the Drayage Service Desk may be classified as abandoned. The Drayage Contractor shall not be responsible for same. We are not responsible for any delay of rush shipments. We will expedite such rush shipments to the best of our ability, but will not assume any financial responsibility for shipments which do not arrive at their destination at a dated time.
17. **EXHIBITORS ARE URGED TO CARRY ALL-RISK INSURANCE** covering your materials against damage, loss and all other hazards from the time shipments are made prior to the show until shipments are received back after the show. This can generally be done by adding "riders" to existing insurance policies, often at no additional cost. It is understood that Brede Exposition Services is not an insurer, that insurance, if any, shall be obtained by the exhibitor and the amounts payable to Brede Exposition Services hereunder are based on the value of the material handling services and the scope of Brede Exposition Services liability as set forth above.

Shipments received without this information will be delivered to exhibitor's booth without guarantee of piece count or condition. No liability will be assumed by Brede for such shipments. Should your carrier fail to check in by the designated time, Brede reserves the right to re-route shipment via the official show carrier as necessary, at the exhibitor's expense.

EXPOSITION SERVICES

Information  
Form

*By completing and submitting the Material Handling order form, exhibitor acknowledges reading and accepting the terms and conditions included on the Material Handling Information forms, as well as the Limits of Liability form. Please review these money-saving tips to make the most efficient use of your material handling budget. Please make your show site representative aware of the following information.*

## Money-Saving Tips

### In General

- Ship via common carrier to avoid possible special handling surcharges.
- Ship early to avoid overnight charges whenever possible.
- Furnish accurate weight tickets with your shipment.
- Properly label/address all shipments to avoid time-consuming re-routes, mis-deliveries, and delays. Remove old shipping labels before you send materials, and attach new labels with complete information. Shipping labels are provided in this service manual for your convenience.
- When shipping direct to show site, confirm in advance that your carrier can guarantee delivery of your freight to the exhibit facility during move-in dates. When possible, schedule shipments to arrive during straight time rather than overtime periods.
- Label your freight with the number of total pieces – example 1 of 3, 2 of 3 and 3 of 3.
- Take a copy of tracking numbers to the show, as well as origination and destination points, piece counts, arrival dates and phone numbers for tracking purposes.

### Consolidate Your Shipment

- Separate shipments received by Brede will not be combined. The minimum 200 lb. charge applies to each shipment Brede receives.
- Consolidate your shipment whenever possible to avoid multiple minimum charges.

For example:

- o 1 piece weighing 36 lbs. charged @ 200 lb. minimum x \$72.00 per CWT = \$144.00
- o 1 piece weighing 62 lbs. charged @ 200 lb. minimum x \$72.00 per CWT = \$144.00
- o 1 piece weighing 54 lbs. charged @ 200 lb. minimum x \$72.00 per CWT = \$144.00

**TOTAL cost of three shipments arriving *separately*: \$432.00**

**OR**

- o 3 pieces totaling 152 lbs @ 200 lb minimum x \$72.00 per CWT = \$144.00

**TOTAL cost of one *consolidated* shipment: \$144.00 *Savings of \$288.00***

- Shipments arriving at the same time from different destinations are considered separate shipments.
- Please be aware that small package handlers may split shipments resulting in Brede receiving multiple shipments.

Information  
Form

*These definitions are provided in order to acquaint you with specific labor guidelines. Please review the following information in order to better understand the applicable union jurisdictions. If you have any questions once you have read this, please address them directly to Brede Exposition Services.*

*Brede has skilled, friendly and quality conscious employees in Arizona available to assist you with most aspects of your exhibiting experience. Arrangements for labor and other services can be made through the forms provided in this exhibitor manual.*

## Material Handling

Exhibitors may hand-carry their own materials into the exhibit facility. The use or rental of dollies, flat carts, pallet jacks and other mechanical equipment is not permitted. Brede Exposition Services will control access to the loading dock in order to provide for a safe and orderly move-in/move-out. Only full-time employees of the exhibiting company will be allowed to hand carry items. Brede Exposition Services will handle unloading or reloading at the dock of any and all contracted carriers.

## Booth Labor

Currently, we have an agreement with the International Alliance of Theatrical and Stage Employees (IATSE) Local 336. Members of this union claim jurisdiction over all setup and dismantling of exhibits, furniture installation, pipe and drape, hanging of signs and laying of floor coverings and unloading and delivering of all display related materials.

In addition to utilizing the services of the Official Service Contractor, Brede Exposition Services, exhibitors may use full-time company personnel that will be staffing their exhibit to assist in setup and/or dismantling of their own booths. Exhibitors may employ the services of non-official contractors providing the following requirements are met:

- Exhibitors must advise Brede Exposition Services in writing, thirty (30) days prior to setup of the show, of their intent to hire an outside installation and dismantle company or exhibit house to supervise, install, and dismantle their exhibit. The *Non-Official Contractor* form must be completed by both parties and returned no less than thirty (30) days prior to setup.
- Non-official contractors must furnish proof of adequate insurance, in the form of an original copy of a policy rider listing Brede Exposition Services as an additional insured, furnished by their broker to Brede Exposition Services' office no less than thirty (30) days in advance of actual installation dates.
- Non-official contractors must furnish show management the names, addresses and telephone numbers of key executives for emergency contact.
- All personnel must be properly badged at show site.

This statement and insurance rider are not required for exhibitors who plan to use their own employees to install or dismantle their own booth or equipment. All non-official installation and dismantle contractors will be allowed on the exhibit floor only during official installation and dismantling hours, and must be identified with a temporary work pass, either supplied by show management or the official service contractor.

## Safety

Standing on chairs, tables or other rental furniture is prohibited. This furniture is not engineered to support your standing weight. Brede cannot be responsible for injuries or falls caused by the improper use of this furniture. If assistance is required in the assembly/dismantle of your booth, please order labor on the enclosed *Labor Order* form and the necessary ladders and tools will be provided.

## Gratuities

Brede Exposition Services requests that exhibitors do not tip our employees. Do not give coffee breaks other than mid-morning and mid-afternoon when union employees have a fifteen minute paid break. Any attempts to solicit a gratuity by an employee for any service should be reported immediately to a Brede supervisor. Employees of Brede are paid at an excellent wage scale denoting a professional status, and we feel that tipping is not necessary. This applies to all Brede employees.

## In General

Craftsmen at all levels are instructed to refrain from expressing any grievances or directly challenging the practices of any exhibitor. All questions originated by labor are to be expressed directly to Brede management personnel. It is recommended that any questions arising with regard to union jurisdiction or practices be directed to a management representative of Brede.
